PAINT ME!

In addition to having fun and making many beautiful paintings, we at Frank Bette Center for the Arts (The Bette) are all about selling your works! Here are some ways you can help us.

- When you paint a home or building, **write the address on the back of the painting** and leave one of the slips provided at the end of the artists hand book (also available at FBCA). If we have this information, we can contact the owner to inform them that an artist has painted their property. It may take a follow-up to sell the painting.
- Use the **Paint Me!** list of homes, boats, businesses, favorite views, etc. available the Center. These people might be more inclined to buy a painting if they like it (no promises).
- If a patron sees the painting on your easel and wants to buy it, remember all sales must go through Frank Bette Center for the Arts. This is what you do:

Send the patron to:

Frank Bette Center for the Arts

1601 Paru Street at the corner of Lincoln Avenue

with a note stating the **name of the painting, your name and the price**

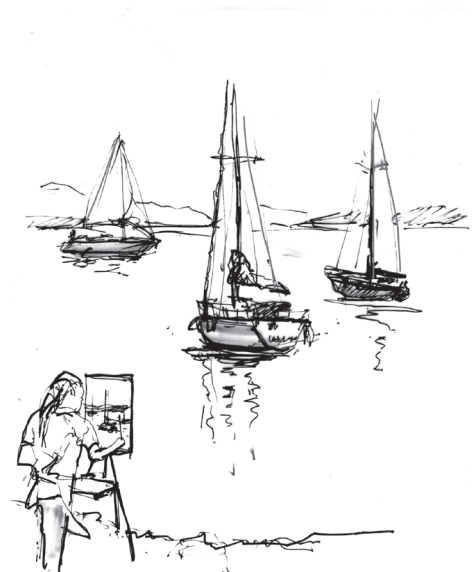

or call **The Bette (510-523-6957)** and see if a volunteer is able to take their credit card over the phone.

When they return with a receipt marked “paid in full” you may give them the painting or if you want to display the painting for judging on Saturday, ask them to pick it up at South Shore Center on Saturday August 1 after 1 pm.

Remember that we still have the **En Plein Air** gallery exhibit August 7 – September 27 to contact potential buyers if we know how to reach them.

A “Paint Me” list will be available at registration.

You are not required to paint the places on the “Paint Me” list.
