Once again the FBCA will turn its galleries into a wonderland full of gorgeous crafts created by our talented artisans. Most craft shows are only weekend events --- our Holiday Gift Boutique is open for a full month for this dynamic holiday shopping season. All of the works are carefully staged throughout the gallery, so you have the best opportunity to be seen and sold. We will be featuring jewelry, paper and fiber arts, ceramics, mosaics, wood, glass and framed two dimensional art works 12'x12" or smaller.

To be considered for the Holiday Gift Boutique:

- Submit images via email of at least two (2) samples of the work you intend to sell at the Holiday Gift Boutique by **November 15, 2015**. You may show one type of artwork or many types.
- For example if you submit images of scarves, you may only show scarves, nothing else. If you submit images of scarves, framed prints "12x12" or smaller, and jewelry, you may sell all three types of work. All images should be described in your email with: the artisan's name and price range of the items and description of materials and techniques used if appropriate.
- You will be notified no later than **November 20, 2014** if your work has been accepted. Note that space is at a premium so limits may be placed on the total number of similar items.
- If you are accepted, we may want to use one of your submitted images on marketing materials (show postcard & poster, email blast, website).
- Accepted work will be **received into the gallery Sunday, November 22**.
- A non-refundable entry fee is \$10 for members or \$25 for nonmembers. Consider joining the Frank Bette community (\$65 annually) to receive the reduced fee.
- The artist commission for the Holiday Boutique is 65% of sales.

The FBCA reserves the right to turn down any work that it deems inappropriate or varies significantly from the images submitted.

All work must be hand crafted by the Artist. No kits, copies or commercially produced work will be considered.

**This is a juried show. Acceptance is not a guaranteed.**
