

## EMILY WEIL ACRYLIC ABSTRACT WORKSHOP MATERIALS LIST

Supplies— Prices based on Blick art website

### ***Students should bring:***

— 1 Ampersand brand claybord 1/8" thick, size: 10" x 10" = \$6.48

**Note:** Please purchase claybord and **not** gessobord, but if student wants to buy a larger size claybord that's fine; just not smaller

— 3 small tubes (or any sized tube) heavy body acrylics paint. These can be any brand. Student grade from Blick are affordable and average about \$5 a tube for 4oz.

Colors: choose a triad— one tube red, one tube blue, one tube yellow. Bring a tube of white or off-white if you like.

### *Color suggestions—*

Red: Cadmium red deep

Blue: Ultramarine

Yellow: Cadmium yellow medium

### *Another triad:*

Red: Cadmium deep or alizarin crimson

Blue: Cobalt or light blue permanent

Yellow: Cadmium yellow deep

**Note:** If student prefers using fluid acrylics that is fine. I use Golden heavy body acrylics and also Sennelier acrylics as they come in smaller, affordable packets and have brilliant colors; they are available at Blick: <https://www.dickblick.com/products/sennelier-abstract-acrylics/> but I suggest going to a Blick store to see the colors; they are fun. Please keep in mind Blick online orders don't exactly arrive in a speedy fashion.

— bring at least 5 small mixing containers such as a cottage cheese tubs (not XL size) or yogurt containers.

— bring a medium or large brush (No small, fine brushes. Teacher will confiscate for duration of class!). If you do not have one, I will have brushes to borrow. If you have a palette knife, bring that too.

— bring a largish plastic container to hold water to rinse your brush.

*Optional* — plastic mixing palette

Emily will bring matte medium to experiment with plus several palette knives.

***If student chooses, I will provide a small kit of supplies for \$20. This will include:***

— 3 colors of a large (approx 0.75 oz) dollop of acrylic paint. Student will choose a red, a blue and a yellow; I will bring the tubes of paint and will have various choices.

— 10" x 10" Ampersand claybord

Students should bring a medium or large brush and 6-8 (if possible) plastic tubs for mixing paint and water — please also bring 3 smaller containers to hold the paint itself
